Jurisdictional Allegations

litigation expenses and costs expended in pursuing this action in accordance with 28 U.S.C. § 12181 *et seq.*

2. Defendant THE FAT MERMAID LLC d/b/a BAR SAN MIGUEL (hereinafter “BAR SAN MIGUEL”) is the operator of a restaurant establishment, which establishment is defined as a “place of public accommodation.” *See* 28 CFR 36.201(a).
3. Said establishment is located at 307 Smith Street, Brooklyn, 11231 in Kings County. Defendant YING FANG LIANG is the documented owner of the Property.
4. Plaintiff SAM LOPEZ (hereinafter “LOPEZ” or “Plaintiff LOPEZ”) is a forty-nine (49) year old young man living in Brooklyn, New York, is sui juris, and qualifies as an individual with a disability as defined by the ADA.

6. Plaintiff LOPEZ had continued medical complications following his accident.
7. At the age of twelve (12) Shriners International in cooperation with Shriners Hospitals volunteered to assist in providing Plaintiff LOPEZ medical care.

Shriners financed Plaintiff LOPEZ's trip to the United States as well as his medical treatment.

10. Venue properly lies in the Eastern District of New York as it is the federal judicial district where the property is located on which the violative establishment is conducting business.

ADA: Lack of Reasonable Accommodations at BAR SAN MIGUEL

11. The ADA prohibits discrimination on the basis of disability by guaranteeing reasonable accommodations are provided for individuals with disabilities. As the owner of the Property and as an operator of a "place of public accommodation," Defendants are jointly responsible for ensuring compliance with the ADA and the ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (hereinafter referred to collectively as the "Accessibility Standards").

12. Plaintiff LOPEZ commutes principally using the MTA/New York City Transit Bus System although he travels to many places locally using only his wheelchair. However, Plaintiff LOPEZ receives assistance from his sister, who lives and works nearby in Brooklyn at the District Attorneys' Office.
13. Defendants have and are continuing to discriminate against Plaintiff and other similarly situated disabled individuals by failing to provide accessible facilities.
14. More specifically, Plaintiff is being deprived of the meaningful choice of freely visiting the same accommodations readily available to the general public and Plaintiff is further deterred and discouraged from additional travel due to Defendant ongoing non-compliance with the ADA.
15. For example, Plaintiff LOPEZ cannot enter the premises without assistance from an able-bodied friend due to the structural barriers in the path of travel to the entrance of BAR SAN MIGUEL.
16. A preliminary inspection of BAR SAN MIGUEL discloses that the following barriers to access exist thus effectively discriminating against Plaintiff as a disabled individual:
 - a. inaccessible entrance as existing step at entrance acts as a barrier to accessibility without required ramp not provided for step at entrance;

- b. required minimum clear width not provided at opening of entrance door;
- c. required minimum maneuvering clearance not provided at entrance door;
- d. inaccessible dining tables as required minimum knee and toe clearance not provided at dining tables;
- e. non-compliant height of dining tables exceed maximum height allowance;
- f. minimum percentage of existing dining tables required to be accessible not provided;
- g. inaccessible bar as height of bar exceeds maximum height allowance;
- h. required minimum knee and toe clearance not provided at bar;
- i. compliant signage identifying the restroom not provided as required;
- j. inaccessible door lock at restroom door as height of restroom door lock exceeds maximum height allowance;
- k. inaccessible lavatory in restroom as required minimum knee and toe clearance not provided at lavatory;
- l. inaccessible mirror and coat hook as mounted heights exceed maximum height allowance;

- m. inaccessible water closet as required minimum clear floor space not provided at water closet;
 - n. non-compliant distance of water closet from side wall in restroom;
 - o. required grab bars not provided at rear and side walls of water closet;
 - p. non-compliant distance of toilet paper dispenser from water closet;
 - q. failure to maintain accessible features and failing to adhere to policies, practices and procedures to ensure that the goods and services being offered, as well as the facilities themselves, are accessible to people with disabilities;
17. The above-listed discriminatory violations are not an exhaustive list of all ADA violations on the property. Plaintiff requires an inspection of Defendants' place of public accommodation in order to identify, photograph and measure all of the barriers to access that constitute discriminatory acts in violation of the ADA.
18. Notice to Defendants prior to initiating suit is not mandated by the ADA. All other conditions precedent to filing suit are satisfied or are waived by Defendants. Defendants' violations of the ADA have been ongoing despite the ADA mandating compliance.

Injunctive Relief Is Necessary to Prevent Future Discrimination

19. Plaintiff frequently visits the area where Defendant-Operator's business is located. Plaintiff visited BAR SAN MIGUEL and has suffered discrimination on the basis of his disability.
20. Plaintiff plans on returning to BAR SAN MIGUEL to avail himself of the good and services offered to the public thereon, and to determine whether the property has been made ADA compliant.
21. The present violations at Defendants' facility create a hazard to Plaintiff's safety. The violations also infringe upon Plaintiff's right to travel free of discrimination causing Plaintiff harm in the form of suffering frustration, shame and humiliation as a result of Defendant's discriminatory practices or non-compliant facilities.
22. As the violations at Defendants' facility are ongoing, it would be a futile gesture for Plaintiff to return to the property so long as the above listed violations exist. Plaintiff returning to the property prior to all above violations being remedied will only further subject Plaintiff to discrimination and threaten Plaintiff's physical safety and well-being.

41. At the time Plaintiff LOPEZ visited Defendant BAR SAN MIGUEL establishment, Plaintiff could not reasonably access the goods and services otherwise available to able bodied individuals due to architectural barriers and other ADA violations (*see* 42 USC § 12181 *et seq.* and 28 CFR 36.302 *et seq.*) set forth herein in paragraph 16.
